

THE APPLICATION PROCESS

Thank you for applying to an ArchaeoSpain program for the next archaeological season. We just want to remind you of a few details about the application process.

1. Please fill out the application form as accurately and completely as possible.
2. Do not forget to include your application fee (\$300) with your form for quick processing. For those participants who live outside the United States and Canada we have a separate payment system via wire transfer in euros. The application fee is €225. After submitting your application, we will send you our bank account number to make the transfer.
3. Your application fee is part of your total program costs and it is partially refundable until around 90 days before the beginning of your program (see specific program information on the website for exact deadlines). If you change your mind about the program just let us know before that time and we will refund your application fee, minus \$50 (or €35), immediately. No questions asked.
4. If you want to participate in more than one ArchaeoSpain program you need to pay only one application fee.
5. After we receive your application we will inform you of your selection within two weeks. We will also send you practical information about how to prepare for your program.
6. The balance of the program fee is due around 45 days before the start of the program.
7. The program cost includes all expenses necessary to support the group for the duration of the program: meals, lodging, transportation to and from the nearest airport, excursions and museum admissions, medical insurance, application fees and administrative costs. Airfare is not included.
8. You do not need any previous archaeological experience or knowledge of Spanish to participate in ArchaeoSpain programs. We request that information in order to have a better idea of the composition of our crews and to inform the site directors accordingly.
9. Please check our website at <http://www.archaeospain.com> for more detailed and up-to-date information about the programs and application process.

Please do not hesitate to contact us should you have any questions about this process or about our programs.
